

We are committed to reducing the impact of our activities on the environment both within our office and our site works processes where practicable and have implemented a management system to continually improve our environmental performance and maintain compliance to the Environmental Management Standard ISO 14001:2015.

- ❖ The policy sets our overall intentions and a direction related to environmental performance and is endorsed by the Managing Director.
- ❖ In order to meet this commitment we will ensure that our policy provides us with a framework for setting and reviewing our objectives to reduce the environmental aspects of our products and services.
- ❖ We ensure compliance with all applicable environmental legislation and regulations and prevention of pollution.
- ❖ All our activities are in line with our commitment to the protection of the environment.
- ❖ The policy will be communicated to our employees and be available for other interested parties including the public.
- ❖ It will be appropriate to the nature and scale of our business activities and the Environmental Representative will implement and maintain the documented system.
- ❖ The Managing Director will allocate resources needed to enable us to meet our environmental objectives and targets.

This Policy and supporting arrangements are mandatory and apply to all Konfloor Ltd. Employees. This policy will be reviewed annually, as a minimum.
